

BendixKing Consumer Trade-Up Form

Attention US and Canadian Dealers:

This form is for BendixKing Consumers only. All Trade-In submissions must now be completed by the consumer, not the dealer.

Please make sure you have the old equipment make, model, and serial number available prior to completing this form. If you do not have this information, please reach out to the dealer that installed your new BendixKing equipment and they will help you find this information.

Under the enhanced Trade-Up program, each customer should mail their old trade-in units to the following address:

**BendixKing Trade-Up
9201-B San Mateo Blvd. NE MS B7
Albuquerque, NM 87113**

Upon receipt of the trade-in unit(s) in Albuquerque, BendixKing will verify the unit(s) to this completed claim submission form. The consumer Trade-Up program involving a direct check issuance to end-customers can only be issued to USA and Canadian addresses. All international customers that do not have a USA or Canadian address can secure trade-in credit from their local BendixKing dealer.

BendixKing reserves the right to refuse or reject any trade up.
